GREAT CROWDS GREET ARMY TANK HERE

When the whippet tank arrived in this city on the Victory Loan special Tuesday afternoon a crowd estimated at 6,000 people were crowding the streets to greet it. The tank followed the Missouri Military Academy cadet battalion which was led by its splendid band.

Following a parade through the business section the tank was taken to the M. M. A. campus where addresses were delivered in behalf of the Victory Loan. Father Timothy O'Sullivan presided at the meeting and Sgt. F. C. Sherwood, who saw tank service in five battles overseas told some of his experiences and made a strong plea in behalf of the loan.

Following the address of Mr. Day, of St. Louis in behalf of the loan the tank gave an exhibition of climbing ditches and hills.

Those on the special were W. D. Wood, in charge; Dr. J. W. Day, civilian speaker, of St. Louis; Sgt. Sherwood, Sgt. W. M. Dent and Private C. W. Gilllette. The train went from here to Centralia and thence to Moberly.

AT THE END OF THE DAY

Wednesday. Scripture, Matt 28:1-10. We ground our faith for life to come in the Easter message of our Christ. May we find in it, O Father, our hope, our joy, our strength. When the way of life seems darkest, and when its night seems longest, show us the dawn with its promise of fullest day. Amen.

AUDRAIN County will never get out of the mud until we vote a bond issue.

THE New Bloomfield district in Callaway County is to have a \$98,000 bond proposition voted on. If this carries, \$138,000 will be available to build a permanent road in that part of Callaway. That's the way to get out of the mud.
